

PART 3

CONTRIBUTIONS TO SCIENCE/INNOVATION THROUGH INTERVIEWS WITH INTERNATIONAL SCIENTISTS AND “BOOK/FILM REVIEWS”. (Authored by A. J. Jones).

People

“New Feature on Literature & Learning”: *Beyond Chemistry: Prions*, Chemistry in Australia, July/August 2019, p 32 - 33.

Bringing About an Earthquake in Human Behaviour – A Tribute to Carl Djerassi, Chemistry in Australia, August 2014, p 30.

Interview: Carl Djerassi, Chemistry in Australia, Vol 77, August 2010, p 26 - 28.

Interview with Professor Chennupati Jagadish, Chemistry in Australia, Vol 73 (9), October 2006, p 3 - 5.

Interview with the Founder of Green Chemistry (Paul Anastas), Chemistry in Australia, Vol 72, No 5, June 2005, p 4 - 7.

Reflecting on the Impact of Professor Ronald Drayton Brown, Chemistry in Australia, Vol 72, No 3, April 2005, p 17-19.

Reviews

Film Review: *Carbon – The Unauthorised Biography*, (A feature Film and ABC TV Documentary produced by Genepool Productions (Australia) and a Handful of Films (Canada), 2022. Chemistry in Australia, June-August 2022, p 34.

Book Review: *The Bastard Brigade* by Sam Kean, Chemistry in Australia, March/April 2020, p 32.

Book Review: *Prion Biology*, Edited by S. B. Prusiner, Chemistry in Australia, July/August 2019, p 34.

Book Review: *Caeser’s Last Breath (on the Earth’s Atmosphere)* by Sam Kean, Chemistry in Australia, May 2018, p 32 - 33.

Book Review: *The Tale of the Dueling Neurosurgeons (on Neurological Function)* by Sam Kean, Chemistry in Australia, September 2015, p 30 - 31.

Book Reviews on the Elements including: *The Disappearing Spoon (the Discovery of the Elements)* by Sam Kean; *Chemical Poems – One on Each Element* by Mario Markus; and the magnificently illustrated *The Elements* by Theodore Grey, Chemistry in Australia, April 2014, p 32.

Book Review: *Biomass to Biofuels: Strategies for Global Industries*, Edited by A. A. Vertè, N. Qureschi, H. P. Blaschek, H. Yukawa, Chemistry in Australia, July 2010, p 34 - 35.

Book Review: *The Greatest Planet in the Universe: A Business Novel. Episode 1 – The Blueprint for Success* by N. Lake, Chemistry in Australia, July 2009, p 34 - 35.

Book Review: *The Australian Miracle: An Innovative Nation Revisited* by T. Barlow, Chemistry in Australia, July 2006, p 29.

Book Review: *Selby's the Science People: A History of H.B. Selby Australia Limited*, by S. Furphy (Australian Scholarly Publishing) Feb 2006, p 31 – 32.

OTHER PUBLISHED BOOKS (Not Science or Innovation)

Short Stories: Some of Life's Ups and Downs, Kindle/Amazon Books, USA, November 2021, Paperback, 123 pages.

13th Corps, A Short History, 1st Battalion North Staffordshire Rifle Volunteers 1858 – 1900, Kindle/Amazon Books, USA, January 2022, Paperback, 131 pages.

The Clives of Sandyford, Staffordshire – The Legend of the Clives, Kindle/Amazon books, UK, January 2023, 123 pages.
